

## Positive Displacement Pumps: Fundamentals, Design and Applications Sponsor Training Multi-User Discount Program

### Train your distributors...your customers...your entire staff!

The Hydraulic Institute is pleased to offer multi-user discount packages to fit the educational and training needs of your corporation. These packages allow you to purchase blocks of "seats" for individual use for the online version of the course modules at significantly reduced rates.

Purchase seats at volume discount rates to take the *Positive Displacement Pumps: Fundamentals, Design and Applications* course online at [www.PumpLearning.org](http://www.PumpLearning.org). These prices are **significant discounts** off the regular retail seat prices of \$65 or \$85 per module.

Buy in bulk now and activate as needed. Once activated, online courses are good for 60 days.  
*It's affordable, convenient and easy to use!*

### To order, please complete and return this form with payment.

NOTE: For more information on how to use and distribute bulk purchased seats, visit: [www.PumpLearning.org/PDSponsors](http://www.PumpLearning.org/PDSponsors).
