

Rotodynamic (Centrifugal) Pumps: Fundamentals, Design and Applications Corporate Training Multi-User Discount Program

Train your distributors...your customers...your entire staff!

The Hydraulic Institute is pleased to offer multi-user discount packages to fit the educational and training needs of your corporation. These packages allow you to purchase blocks of “seats” for individual use for the online version of the course modules at significantly reduced rates.

Purchase seats at volume discount rates to take the *Rotodynamic (Centrifugal) Pumps: Fundamentals, Design and Applications* course online at www.PumpLearning.org. These prices are **significant discounts** off the regular seat price of \$85 per module.

Buy in bulk now and activate as needed. Once activated, online courses are good for 60 days. *It's affordable, convenient and easy to use!*

To order, please complete and return this form with payment:
